

Political Science, BS

ASPOLBS

Go beyond the basic understanding of the American political system and develop the research skills you need to analyze complex sociopolitical issues. You'll be prepared for graduate study, law school or career opportunities in public administration.

Program description

Political science is the study of governmental practices, politics and theories. Coursework in the political science program covers American institutions, international relations, political theory and world affairs.

This program helps students gain a basic understanding of the assumptions underlying political science and develop the research skills necessary to analyze complex sociopolitical issues. In addition to coursework, students learn through internships, service-learning and research opportunities.

The BS requires a quantitative methods course, and the BA requires a qualitative methods course.

Concurrent program options

Students pursuing concurrent degrees (also known as a "double major") earn two distinct degrees and receive two diplomas. Working with their academic advisors, students can create their own concurrent degree combination. Some combinations are not possible due to high levels of overlap in curriculum.

Accelerated program options

This program allows students to obtain both a bachelor's and master's degree in as little as five years. It is offered as an [accelerated bachelor's plus master's degree](#) with:

[Communication Studies, MA](#)

[Global Management, MGM](#)

[Interdisciplinary Studies, MA](#)

[Social Justice and Human Rights, MA](#)

Acceptance to the graduate program requires a separate application. Students typically receive approval to pursue the accelerated master's during the junior year of their bachelor's degree program. Interested students can learn about eligibility requirements and [how to apply](#).

Transfer options

ASU is committed to helping students thrive by offering tools that allow personalization of the transfer path to ASU. Students may use [MyPath2ASU®](#) to outline a list of recommended courses to take prior to transfer.

ASU has [transfer partnerships](#) in Arizona and across the country to create a simplified transfer experience for students. These pathway programs include exclusive benefits, tools and resources, and they help students save time and money in their college journey.

Global opportunities

Global experience

Students can experience firsthand, through study abroad, the diverse political and social powers that affect communities around the globe. Students in political science can enhance their learning by gaining a global perspective on political theory and world affairs.

With more than 300 programs available to them, students can tailor their experience to their unique interests and skill sets. Programs exist in diverse countries, such as those ruled by communist and monarchical regimes. More information is available on the [Global Education website](#).

Career opportunities

The political science curriculum provides a solid background for employment in a relevant profession. The program serves as a good precursor to staff, manager or policy analyst positions in local, state and federal governments. This degree is recognized as qualification for many careers in business (for-profit and nonprofit) and industry. Work may include binational, cross-border positions linking U.S. and Mexican businesses, Arizona-Sonora local governments or local community groups on both sides of the border.

Many students use the degree as a gateway to law school or other professional schools or as a basis for graduate study in such applied fields as:

- community development
- public administration
- public policy
- political science
- social sciences
- urban affairs
- urban and regional planning

Example job titles and salaries listed below are not necessarily entry level, and students should take into consideration how years of experience and geographical location may affect pay scales. Some jobs also may require advanced degrees, certifications or state-specific licensure.
