Learn to be a flexible and sensitive musician in a variety of settings like orchestra, band, chamber ensemble or as a soloist.

**Program Description**

The BMus program in performance with a concentration in an orchestral instrument focuses on the study of music literature and techniques on a specific orchestral instrument.

Students receive coaching from world-renowned faculty and visiting guest artists, attend master classes, and receive extensive performance experience in large ensembles, as a chamber musician and as a soloist. Students study a specific orchestral instrument intensively with a faculty member for eight semesters including major repertoire, solo literature and chamber music. Additionally, students learn skills that are needed to be a highly successful working musician including audition preparation, networking, learning organizational strategies, opportunity creation and developing an entrepreneurial mindset.

Admission Requirements

General University Admission Requirements:
All students are required to meet general university admission requirements.

Additional Requirements:

Important: Applicants must submit an ASU application for undergraduate admission in addition to a separate School of Music, Dance and Theatre application. Students should visit https://musicdancetheatre.asu.edu/admissions/music/undergraduate-steps-to-apply for details. Admission to the School of Music, Dance and Theatre is based on an audition. Auditions take place in November (spring admission) and in January and February (fall admission) of each year. Applicants may review audition information at https://musicdancetheatre.asu.edu/admissions/music/undergraduate-auditions.

Admission to the music program is highly selective and based on an audition process. Students are admitted as music audition students and must successfully complete the audition before enrolling in music major courses. Upon admission to both ASU and the School of Music, Dance and Theatre, the applicant's major will be changed to music. In the event a student is admitted to ASU but not to the School of Music, Dance and Theatre or misses the audition deadline, the student will remain as a music audition major and will need to successfully pass the music audition milestone in the first semester in order to gain admission into the program.

Application Deadlines: Students should visit https://musicdancetheatre.asu.edu/admissions/music/undergraduate-deadlines-fees for complete music deadlines.

Spring admission: The deadline to apply for admission to this program is October 15.

Fall admission: The deadline to apply for admission to this program is January 5.

Transfer Admission Requirements:

Transfer Applicants: Transfer of courses from other accredited institutions is subject to the existence of parallel and equal courses in the college's curriculum, and departmental or school evaluation of studio and class piano courses with respect to performance standards.
Every candidate for the bachelor's degree must earn a minimum of 30 credit hours in resident credit at ASU. Transfer students enrolled in the institute must complete a minimum of 15 resident credit hours in the major as approved by the faculty.
