Italian, BA

Italian unlocks the doors to Italy's culture and language as well as to careers in design, fashion, food, sustainability, health and wellness, manufacturing, computer services, and the aerospace and automotive sectors. Due to Italy's rich history, quality of life and industrial leadership, Italian is the fourth most studied language globally.

Program Description

The BA program in Italian offers students an opportunity to study the literature and culture of Italy while gaining a respectable measure of competence in reading, writing, oral and aural skills in the Italian language. Students broaden their knowledge by completing a number of related courses on topics such as:

- art
- film
- government
- history
- literature and culture
- religion

Faculty-directed summer programs in Italy are available for students who wish to study the language and culture while living in the country. Study abroad programs in various cities in Italy are also available during the academic year.

**Concurrent Program Options**

Students pursuing concurrent degrees (also known as a "double major") earn two distinct degrees and receive two diplomas. Working with their academic advisors, students can create their own concurrent degree combination. Some combinations are not possible due to high levels of overlap in curriculum.

**Accelerated Program Options**

This program allows students to obtain both a bachelor's and master's degree in as little as five years. It is offered as an accelerated bachelor's plus master's degree with:

Global Management, MGM

Acceptance to the graduate program requires a separate application. Students typically receive approval to pursue the accelerated masterâs during the junior year of their bachelor's degree program. Interested students can learn about eligibility requirements and how to apply.

**Admission Requirements**

**General University Admission Requirements:**

All students are required to meet general university admission requirements.

First-year | Transfer | International | Readmission

**Tuition Information**

When it comes to paying for college, everyoneâs situation is different. Students can learn about ASU tuition and financial aid options to find out which will work best for them.

**Change of Major Requirements**

A current ASU student has no additional requirements for changing majors.
Students should visit the Change of Major form for information about how to change a major to this program.

**Transfer Options**

ASU is committed to helping students thrive by offering tools that allow personalization of the transfer path to ASU. Students may use MyPath2ASU® to outline a list of recommended courses to take prior to transfer.

ASU has transfer partnerships in Arizona and across the country to create a simplified transfer experience for students. These pathway programs include exclusive benefits, tools and resources, and they help students save time and money in their college journey.

**Global Opportunities**

**Global Experience**

Students can be immersed in the Italian culture and language through a Global Education program. Study abroad is vital when learning the Italian language and culture. Being immersed in Italy itself adds value to the degree, and the experience prepares students to take off in an exciting, multicultural career with valuable skills employers seek, like communication and problem-solving.

Students majoring or minoring in Italian have the opportunity to participate in a Global Education program in Italy while taking courses in a variety of areas. The College of Liberal Arts and Sciences recommends these programs for students majoring in Italian.

**Career Opportunities**

Knowledge of multiple languages and intercultural competencies enhance any occupation and offer graduates many career opportunities. Language-intensive careers include:

- foreign correspondent and media professional
- foreign service officer
- international banking and finance professional
- language teacher
- law and immigration professional
- multilingual administrative professional
- nongovernmental organization professional
- professor of language, literature and culture
- translator and interpreter
- travel professional
Career fields and occupations in which knowledge of diverse languages and cultures is valuable include:

- advertising, marketing and communications
- airline industry
- film, television and multimedia
- hospitality industry
- international business
- international education and study abroad administration
- international law
- public relations
- publishing
- technology industries

Additional education and certification may be required for some career paths.

Career example titles and salaries listed below are not necessarily entry level, and students should take into consideration how years of experience, geographical location, and required advanced degrees or certifications may affect pay scales.
