Public Service and Public Policy (Health Policy), BS

PPPASHPBS

Are you passionate about exploring how government and policy affect your community? Gain an excellent foundation in public policy while you enjoy internship opportunities that build the expertise you'll need in a high-demand career in the public sector. This program is located in downtown Phoenix, near city, county and state governments.

Program Description

The School of Public Affairs offers a concentration in health policy as part of the BS program in public service and public policy, providing students with more specialized knowledge about the policy implication of health-related decisions and actions. This program allows students to build a course of study that focuses on the health care industry, a sector which continues to be a major part of the U.S. and world economy.

In this program, students who have an interest in policy focus on health-related issues and their policy implications. The courses in the concentration are offered by the College of Health Solutions and the School of Human Evolution and Social Change.

This major is eligible for the Western Undergraduate Exchange program at the following location: Downtown Phoenix campus. Students from Western states who select this major and campus may be eligible for reduced nonresident tuition at a rate of 150% of Arizona resident tuition plus all applicable fees. Students should click the link for more information and eligibility requirements of the WUE program.

Concurrent Program Options

Students pursuing concurrent degrees (also known as a âdouble majorâ) earn two distinct degrees and receive two diplomas. Working with their academic advisors, students can create their own concurrent degree combination. Some combinations are not possible due to high levels of overlap in curriculum.

Accelerated Program Options

This program allows students to obtain both a bachelor's and master's degree in as little as five years. It is offered as an accelerated bachelor's and master's degree with:

- Global Management, MGM
- Public Administration (Emergency Management), MPA
- Public Administration (Nonprofit Administration), MPA
- Public Administration (Public Finance), MPA
- Public Administration (Urban Management), MPA
- Public Administration, MPA
- Public Policy (Environmental Policy), MPP
- Public Policy (Policy Informatics), MPP
- Public Policy (Science and Technology Policy), MPP
- Public Policy, MPP

Acceptance to the graduate program requires a separate application. During their junior year, eligible students are advised by their academic departments to apply.

Global Opportunities

Global Experience
Students seeking in-depth knowledge of policy and the public sector related to the health care industry in various capacities can benefit from study abroad. Programs are available that focus on topics such as public or global health, allowing students to see concepts they have learned through a unique cultural lens and build skills in preparation for a 21st century career. https://goglobal.asu.edu/

Career Opportunities
The program is primarily focused on providing students with the knowledge and skills required for entry- and mid-level supervisory and managerial positions in the public sector, such as city, county, state and federal agencies, though they would function successfully in many other types of organizations as well. For those who already have work experience, the degree provides further opportunity for promotion.

Career examples include but are not limited to those shown in the following list. Advanced degrees or certifications may be required for academic or clinical positions.
