Public Service and Public Policy (Parks and Recreation Management), BS

PPPAPRMBS

Are you passionate about exploring how government and policy affect your community? Gain an excellent foundation in public policy while you enjoy internship opportunities that build the expertise you'll need in a high-demand career in the public sector. This program is located in downtown Phoenix, near city, county and state governments.

Program Description

The School of Public Affairs offers a BS in public service and public policy with a concentration in parks and recreation management, providing students with more specialized knowledge about the policy implication of the development and management of leisure in modern life.

Leisure and quality of life are an essential part of U.S. society. This program provides students a transdisciplinary education in the management of parks, protected areas and community-based recreation services.

This major is eligible for the Western Undergraduate Exchange program at the following location: Downtown Phoenix campus. Students from Western states who select this major and campus may be eligible for reduced nonresident tuition at a rate of 150% of Arizona resident tuition plus all applicable fees. Students should click the link for more information and eligibility requirements of the WUE program.

Concurrent Program Options

Students pursuing concurrent degrees (also known as a "double major") earn two distinct degrees and receive two diplomas. Working with their academic advisors, students can create their own concurrent degree combination. Some combinations are not possible due to high levels of overlap in curriculum.

Accelerated Program Options

This program allows students to obtain both a bachelor's and master's degree in as little as five years. It is offered as an accelerated bachelor's and master's degree with:

Global Management, MGM
Public Administration (Emergency Management), MPA
Public Administration (Nonprofit Administration), MPA
Public Administration (Public Finance), MPA
Public Administration (Urban Management), MPA
Public Administration, MPA
Public Policy (Environmental Policy), MPP
Public Policy (Policy Informatics), MPP
Public Policy (Science and Technology Policy), MPP
Public Policy, MPP

Acceptance to the graduate program requires a separate application. During their junior year, eligible students are advised by their academic departments to apply.

Admission Requirements

General University Admission Requirements:
All students are required to meet general university admission requirements.

First-year | Transfer | International | Readmission

**Change of Major Requirements**

A minimum cumulative GPA of 2.00 is required to change into this program.

Students should refer to [https://changemajor.apps.asu.edu](https://changemajor.apps.asu.edu) for information about how to change a major to this program.

**Transfer Options**

ASU is committed to helping students thrive by offering tools that allow personalization of the transfer path to ASU. Students may use MyPath2ASU™ to outline a list of recommended courses to take prior to transfer.

ASU has transfer partnerships in Arizona and across the country to create a simplified transfer experience for students. These pathway programs include exclusive benefits, tools and resources, and they help students save time and money in their college journey. Students may learn more about these programs by visiting the admission site: [https://admission.asu.edu/transfer/MyPath2ASU](https://admission.asu.edu/transfer/MyPath2ASU).

**Global Opportunities**

**Global Experience**

Study abroad programs at some of the world's most renowned and pristine parks, wildlife reserves and other recreational facilities like forests, reefs and deserts provide students with insight as to how other countries use policy to manage their natural resources. Study abroad allows students to tailor their experience to their unique interests and skill sets, with over 250 programs available.

**Career Opportunities**

The program is primarily focused on individuals working or interested in working in the public sector. The skills and knowledge students acquire allow them to successfully function in many other types of organizations; however, the emphasis is on public organizations.

A bachelor's degree program in public service and public policy prepares students for entry- and mid-level supervisory and managerial positions in city, county, state and federal agencies. For those who already have work experience, the degree provides further opportunity for promotion.
Career examples include but are not limited to those shown in the following list. Advanced degrees or certifications may be required for academic or clinical positions.
