Notes

All baccalaureate degree students must fulfill [university graduation requirements](#), including a minimum of 120 credit hours, with at least 45 credit hours in upper-division courses.

All undergraduate students must complete [General Studies requirements](#).

[Mathematics Placement Assessment](#) score determines placement in first mathematics course.

Students should work with their academic advisor, and consider course prerequisites, in order to complete all degree requirements in four years.

For student resources, including academic advising appointment scheduling, forms and policies, internship information, involvement or research opportunities, and more, visit [New College of Interdisciplinary Arts and Sciences](#) homepage.

Students interested in pursuing health-related professional and graduate programs including Pre-Health 101 Workshops and Pre-Health Advising should explore [pre-health resources](#).

Students interested in pursuing law-related professional and graduate programs should explore [pre-law resources](#).

Career preparation resources are available through [Career Services](#).

General Studies designations listed next to courses were valid for the 2026 - 2027 academic year. Please refer to the course catalog for current General Studies designations at time of class

registration. General Studies credit is applied according to the designation the course carries at the time the class is taken.
