Students who have not met all ASU general studies and first-year composition requirements with their transfer courses must complete them at ASU to earn the BAS degree.

Students should work with their academic advisor to review the DARS graduation audit to determine needed requirements.

AAS Transfer Degree Block of Credit Hours

60

## Notes

All baccalaureate degree students must fulfill [university graduation requirements](#), including a minimum of 120 credit hours, with at least 45 credit hours in upper-division courses.

All undergraduate students must complete [General Studies requirements](#).

---

[Mathematics Placement Assessment](#) score determines placement in first mathematics course.

---

Students should work with their academic advisor, and consider course prerequisites, in order to complete all degree requirements in four years.

General Studies designations listed next to courses were valid for the 2026 - 2027 academic year. Please refer to the course catalog for current General Studies designations at time of class registration. General Studies credit is applied according to the designation the course carries at the time the class is taken.
