FT Fast Track Options: Return to 4 Year Plan

A student must speak with an advisor in order to be added to a fast track plan.

In order to complete a fast track degree plan, you must take courses during the summer. This may impact your financial aid. Financial aid is available to those who apply and qualify, and students may receive funds to help cover costs for each semester of enrollment. The amount of financial aid that a student is eligible for varies depending on prior education experience and other individual factors.
