Notes:

Students will choose either a Latin Emphasis or a Greek Emphasis. Students should work with their advisor to determine which language courses to enroll in each semester. Students must maintain a 3.0 GPA in chosen target language courses.

Special topics courses must be related to Classical Studies; students will be required to provide a syllabus for the requested course to the SILC academic advisor prior to taking the course. For information regarding elective courses click on the related fields link at this page: <http://silc.asu.edu/undergraduate/majors-minors-certs>.

Degree offerings in the School of International Letters & Cultures are flexible liberal arts majors. Students must bear in mind that the credits toward the major and minor can only be accumulated after completion of preparatory language courses. These preparatory courses are not major requirements and do not count toward the hours the student needs to complete degree requirements. Demonstrated proficiency at the intermediate level is required for enrollment in major requirement courses. Students are strongly encouraged to contact an academic advisor regarding clarifications on course applicability.
