- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must
 complete two courses from the Science and Society list found at
 https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be
 upper-division and students must earn a C or better in the courses. Both Science and Society courses
 (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies
 requirements.
 - <u>Selecting a Making Pathway:</u> In consultation with an assigned academic advisor, students must select and complete a Making Pathway from one of the two options listed below. Each Making Pathway requires the completion of six lower-division credit hours and 12 upper-division credit hours. Please note that Making Pathways require multiple completions of the same course to fulfill these credit hour requirements.

Hide Course List(s)/Track Group(s)

Design Making Pathway	Interplanetary Making Pathway				
Complete two semesters of:	Complete two semesters of:				
HDA 296: Creative Futures: Studio Complete four semesters of:	IPI 241: Designing and Making for an Interplanetary Future Complete four semesters of:				
HDA 496: Creative Futures: Advanced					
Studio	IPI 441: Advanced Designing and Making for an Interplanetary Future				

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

General University Requirements Legend

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science Quantitative (SQ)
- Natural Science General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed next to courses on the major map were valid for the 2022 - 2023 academic year. Please refer to the course catalog for current General Studies designations at time of class registration. General Studies credit is applied according to the designation the course carries at the time the class is taken.
