

2022 - 2023 Major Map

Nursing - Accelerated BSN, **BSN**

School/College: Edson College of Nursing and Health Innovation
NUNURDBSN

The accelerated BSN/MS option is currently only available to ASU Online students.

- Completion of General Studies and composition requirements at a domestic institution accredited by an organization recognized by ASU as certified on the official transcript will fulfill lower-division General Studies and composition requirements. Certification of completed general studies may include completion of general education package (ex: AGECE, CSUGE, IGETC); an associate of arts degree or bachelor's degree; or comparable as documented on an official transcript.
- Students must have first-year composition and lower-division general studies completed when submitting an application for advancement.

Term 4 0 - 17 Credit Hours Critical course signified by 	Hours	Minimum Grade	Notes
 BIO 201: Human Anatomy and Physiology I (SG)	4	C	<ul style="list-style-type: none"> • Meet with a member of the Edson College Student Services team to review the advancement requirements. • View the Accelerated BSN Prelicensure Clinical Nursing Program Information Session. • Students interested in graduating with Academic Recognition must have a minimum of 56 credit hours of resident credit at ASU to qualify. Term hours subtotal:		17	

- Placement into the Accelerated BSN prelicensure clinical nursing program is based on clinical space availability. In addition to the application to ASU, there is a separate advancement process to be selected for placement.
- Prospective students should consult with the Edson College of Nursing and Health Innovation student academic services for the advancement requirements, including prerequisites, TEAS requirement, and immunization/background requirements.
- Students should view the **Accelerated BSN Prelicensure Clinical Nursing Program Information Session**.

- Completion of General Studies and composition requirements at a domestic institution accredited by an organization recognized by ASU as certified on the official transcript will fulfill lower-division General Studies and composition requirements. Certification of completed general studies may include completion of general education package (ex: AGECE, CSUGE, IGETC); an associate of arts degree or bachelors degree; or comparable as documented on an official transcript. These students are still required to fulfill lower-division program requirements and prerequisites within their college and major and minor areas of study.
- Students must still take six upper-division credit hours (three for L and three for SB or HU) to complete the ASU university-level graduation requirements. These requirements are included in the required NUR prelicensure clinical nursing program courses.
- If students transfer from Arizona community colleges without completing the AGECE or from other accredited postsecondary institutions, they receive credit for General Studies based on course-by-course equivalency. Students should see the [Arizona General Education Curriculum](#) page.
- **All students must have first year composition and lower-division general studies completed by the advancement application deadline.**

[Hide Course List\(s\)/Track Group\(s\)](#)

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: <https://cisa.asu.edu/DSP>
- Mathematics Placement Assessment score determines placement in first mathematics course.

Total Hours: 85
