

# Translation Studies (Graduate Certificate)

LALTSGRCT

Translation studies is a dynamic, emerging discipline that engages various theoretical and practical issues. Central to the present and future directions of the humanities, as well as their history, translation studies is one of the most globally relevant fields in today's world.

## Program description

### **Degree awarded: Certificate Translation Studies (Certificate)**

The graduate certificate in translation studies is a transdisciplinary program offering coursework that intensively engages with translation practice, issues related to the cultural role of the translator and translation, studies of the variety of theoretical approaches to translation, and studies of transhistorical and cross-cultural theories of translation. These areas of emphasis enable students to gain expertise in practical and theoretical knowledge of the field of literary and practical (commercial) translation and to engage in developing new models for the practice of translation today.

The program offers interested students the opportunity to develop an understanding of intercultural intersections and transdisciplinary approaches to the practice of translation and advanced training and mentorship.
