Are you excited about furthering your knowledge of organizational leadership and preparing for a managerial role or to enhance your career path? This certificate program gives you the flexibility to grow knowledge and skills in a field that is in high demand and applicable to many career paths.

Program description

Degree awarded: Certificate Organizational Leadership (Certificate)

The graduate certificate program in organizational leadership offers a theoretically and methodologically rigorous approach to studying and creating use-inspired research needed to impact organizational leadership.

Students explore areas such as organizational dynamics, institutional evolution, strategic change, leading diverse teams, collaborative governance, conflict mediation, critical problem-solving and leadership assessment, and they learn advanced methodological and statistical skills.

The program places special emphasis on learning best practices and other applied aspects of leading organizations. Students tailor their degree to their interests through a vast array of leadership elective courses. In consultation with a faculty advisor, students choose from many different elective courses, such as not-for-profit leadership and intercultural leadership.
