**Admission Requirements**

Applicants must fulfill the requirements of both the Graduate College and the Edson College of Nursing and Health Innovation.

Applicants are eligible to apply to the program if they have earned a minimum of a master's degree, in any field, from a nationally recognized, regionally accredited academic institution.

Applicants must have a minimum cumulative GPA of 3.00 (scale is 4.00 = "A") in the last 60 hours of their first bachelor's degree program, or applicants must have a minimum cumulative GPA of 3.00 (scale is 4.00 = "A") in an applicable master's degree program.

All applicants must submit:

1. graduate admission application and application fee  
2. official transcripts  
3. three professional letters of recommendation  
4. resume  
5. goal statement  
6. proof of English proficiency

**Additional Application Information**

An applicant whose native language is not English must provide proof of English proficiency regardless of current residency.

International students who need an F1 or J1 visa first need to apply to and be accepted into a graduate degree program prior to being considered for the certificate program. International students residing in the USA on other types of visas must adhere to all Graduate College policies and procedures regarding admission to be considered for this certificate program.

**Licensure Requirements:** An RN licensure is not required for admission to the Nurse Education in Academic and Practice Settings certificate program. However, admitted students who are a Registered Nurse must hold a current unencumbered RN license in the state in which the student plans to do clinical practicums to remain in the program.
**Health and Safety Requirements:** Students recommended for admission must meet health and safety requirements by established deadlines, including a passing disposition on a background clearance, satisfactory completion of a substance screen, and other requirements, as a condition of admission.

**Tuition Information**

When it comes to paying for college, everyone’s situation is different. Students can learn about ASU tuition and financial aid options to find out which will work best for them.

**Attend Online**

**ASU Online**

ASU offers this program in an online format with multiple enrollment sessions throughout the year. Applicants may view the program’s ASU Online page for program descriptions and to request more information.

**Application Deadlines**

**Fall**

**Career Opportunities**

The nurse educator certificate prepares students for a variety of careers, helping to educate the future nursing workforce. Careers could include:

- academic faculty
- charge nurse
- chief nursing officer
- nurse educator
- nursing supervisor
