Sustainable Tourism, MST

With your solutions oriented mindset, love of travel, and aspirations for an international career, you deserve a master's degree that will propel you into a multi-trillion-dollar industry that relies on creative thinkers like you. Learn how to successfully navigate the elements that contribute to sustaining leisure destinations for future generations.

Program Description

Degree Awarded: MST Sustainable Tourism
Students in the MST program receive a comprehensive education with a focus on the environmental, economic and social aspects of tourism, equipping them with the skills necessary for creating pioneering sustainable development solutions to the challenges facing tourism today.

This holistic curriculum focuses on integrating all three pillars of sustainability into existing tourism theories and concepts. Students learn numerous strategies and tools for identifying and building innovative tourism products and experiences and minimizing adverse impacts of tourism so that resources and opportunities remain viable and sustainable for their host communities.

Accelerated Program Options

This program allows students to obtain both a bachelor's and master's degree in as little as five years. It is offered as an accelerated bachelor's plus master's degree with:
Tourism Development and Management, BS
Tourism Development and Management (Meetings and Events), BS
Tourism Development and Management (Resort and Hotel Leadership), BS
Tourism Development and Management (Sustainable Tourism), BS
Tourism and Recreation Management, BS

Acceptance to the graduate program requires a separate application. Students typically receive approval to pursue the accelerated master's during the junior year of their bachelor's degree program. Interested students can learn about eligibility requirements and how to apply.

Degree Requirements

31 credit hours including the required applied project course (TDM 593)

Required Core (24 credit hours)
CRD 569 Advanced Tourism and Recreation Studies (3)
TDM 520 Sustainable Thinking in Tourism I (3)
TDM 521 Sustainable Thinking in Tourism II (3)
TDM 530 Sustainable Tourism Destination Planning and Management I (3)

TDM 570 Sustainable Tourism (3)

Electives or Research (3 credit hours)

Culminating Experience (4 credit hours)
TDM 593 Applied Project (4)

Additional Curriculum Information
One elective or research course is selected from an approved list for three credit hours. Students should contact the academic unit for a list of possible courses. Other courses may be used with approval from the academic unit.

Students complete an applied project that may consist of a sustainable tourism development plan for a community, a thorough sustainability audit of a tourism business, or other project as approved by the faculty advisor.

Admission Requirements
Applicants must fulfill the requirements of both the Graduate College and the Watts College of Public Service and Community Solutions.

Applicants are eligible to apply to the program if they have earned a bachelor's or master's degree in a related field such as tourism, recreation, hospitality, business, geography or planning from a regionally accredited institution.

Applicants must have a minimum cumulative GPA of 3.00 (scale is 4.00 = "A") in the last 60 hours of their first bachelor's degree program, or applicants must have a minimum cumulative GPA of 3.00 (scale is 4.00 = "A") in an applicable master's degree program.

All applicants must submit:

1. graduate admission application and application fee
2. official transcripts
3. professional statement
4. resume
5. three letters of recommendation
6. proof of English proficiency

Additional Application Information
An applicant whose native language is not English must provide proof of English proficiency regardless of their current residency.

International applicants are also required to submit TOEFL or IELTS scores and a financial guarantee statement.

Letters of recommendation should be from current or former employers, current or former faculty members, or others who are familiar with the applicant's scholarly and professional abilities and characteristics. The names, email addresses, titles and organizations from whom the student is requesting recommendations is also required.

A written professional statement describing the applicant's purpose in pursuing the master's degree is to be submitted online. In addition, a current resume that outlines previous professional activities is required.

**Tuition Information**

When it comes to paying for college, everyone’s situation is different. Students can learn about ASU tuition and financial aid options to find out which will work best for them.

**Attend Online**

ASU Online
ASU offers this program in an online format with multiple enrollment sessions throughout the year. Applicants may view the program’s ASU Online page for program descriptions and to request more information.

Program Learning Outcomes

Program learning outcomes identify what a student will learn or be able to do upon completion of their program. This program has the following program outcomes:

- Demonstrate strong critical thinking skills to be able to take into account the complexities of sustainable tourism issues.
- Analyze existing examples of sustainable tourism by offering suggestions and solutions through research-backed support.
- Develop the ability to engage with diverse stakeholder for positive impact in Sustainable Tourism.

Career Opportunities

The sustainable tourism degree is useful to industry professionals who are interested in advancing their profiles and also to those who are interested in changing their careers, preparing them to meet the increasing demand for people trained in sustainability practices and the application of those practices in tourism.

Career examples include:

- destination planners and managers
- recreation managers
- sustainable food managers
- tourism planners
