

# Gender, Women and Sexuality Studies, **Mir**

ASWSTMIN

How do gender, power, race, sexuality and class shape lives and the world? By studying the effects of social hierarchies, cultural identity, sexuality, nationality and religion, you will learn how gender attitudes form and how they impact daily lives.

## Description

This minor combines interdisciplinary topics and methods to critically analyze, unpack and address how relations of gender are embedded in and connected to social, political and cultural transformations. The intellectual core draws from theories, methods and teachings in women and gender studies while engaging complementary fields of social justice, cultural studies, sexuality studies, queer studies, literature, history, sociology, psychology, oral history, ethnicity, race and indigenous studies, and transnational studies.

WST 469: Abject Bodies and the Politics of Trash (SB & C) (3)

WST 473: Indigenous and Latina/Chicana Representation (SB & C) (3)

WST Upper Division Elective (3)

Prerequisite courses may be needed in order to complete the requirements of this minor.

## **Enrollment requirements**

**GPA Requirement:** None

**Incompatible Majors:** BA in social and cultural analysis (women and gender studies); BA in gender, women and sexuality studies; BS in gender, women and sexuality studies

**Other Enrollment Requirements:** None

Current ASU undergraduate students may pursue a minor and have it recognized on their ASU transcript at graduation. Minor requirements appear on the degree audit once the minor is added. Certain major and minor combinations may be deemed inappropriate by the college or department of either the major program or the minor. Courses taken for the minor may not count toward both the major and minor.

## **Career opportunities**

This program prepares students for graduate study or a variety of fields including business, health care, criminal justice, social services, education, public relations, nonprofits, community development, public policy and government. Possible careers include community health workers, secondary school teachers, human resource managers, probation officers, social and community service managers, writers and workers in academia.
