Business, Minor

BABUSMIN

Description

A minor in business is available to students who are interested in business courses but wish to pursue majors in other colleges. The courses available for the minor are designed to appeal to and inform the nonbusiness student while covering a broad range of topics that are important to managers, such as:

- accounting
- computer information systems
- economics
- finance
- management
- marketing
- supply chain management

Prerequisite courses may be needed in order to complete the requirements of this minor.

The upper-division courses specified for the minor are restricted to students with a minimum of 56 earned credit hours and a minimum 2.00 ASU cumulative GPA.

The College of Liberal Arts and Sciences Economics majors must use ECN 211 and ECN 212 in their degree and will take an additional elective to replace that requirement in the minor.

ACC 231 may substitute for ACC 382, if previously taken.

Enrollment Requirements

GPA Requirement: 2.00

Incompatible Majors: all W. P. Carey School of Business undergraduate degree programs

Other Enrollment Requirements: None

This minor is open to non-Business majors.

Current ASU undergraduate students may pursue a minor and have it recognized on their ASU transcript at graduation. Minor requirements appear on the degree audit once the minor is added. Certain major and minor combinations may be deemed inappropriate by the college or department of either the major program or the minor. Courses taken for the minor may not count toward both the major and the minor.
Career Opportunities

Minor programs allow students to develop additional competencies to complement the marketable knowledge and skills they acquire in their majors.

A minor in business can help students with understanding the foundations of business as they pursue careers in management or sales within their industry.
