

Film and Media Production, Minor

FAFMPPMIN

Description

A minor in film and media production equips students with skills in basic film production and narrative techniques while teaching them about the history, theory and ethics of filmmaking, television and digital media. The program meaningfully supplements a wide variety of degrees.

Enrollment requirements

GPA Requirement: None

Incompatible Majors: BA in film (filmmaking practices); BA in film (film and media production); BFA in film (film and media production)

Other Enrollment Requirements: None

Current ASU undergraduate students may pursue a minor and have it recognized on their ASU transcript at graduation. Minor requirements appear on the degree audit once the minor is added. Certain major and minor combinations may be deemed inappropriate by the college or department of either the major or the minor program. Courses taken for the minor may not count toward both the major and the minor.

Career opportunities

Minor programs allow students to develop additional competencies that complement the marketable knowledge and skills they acquire in their majors. A minor in film and media production equips students with marketable skills in narrative techniques and media production that help them stand out in competitive industries.
