

Asian Languages - Japanese, **Minor**

LAJPNMIN

Studying Japanese opens the door to a variety of new career paths, experiences and opportunities for personal growth, career development and global exploration. Regardless of where your interests lie, the Japanese language can help take you where you want to be.

Description

Students pursuing a minor in Asian languages with a focus on Japanese study the language, literature and culture of Japan while developing advanced abilities in speaking, listening, reading and writing.

A wide range of electives allows students to pursue their interests in topics such as translation, business, popular culture, technology and classical language. In addition, ASU offers summer and yearlong programs to [study abroad](#) in Japan.
