

# Organizational Leadership, Certificate

LSORGLCERT

Ever thought about what it takes to be a leader? This certificate introduces you to the skills needed to excel in leadership.

## Description

In the certificate program in organizational leadership, students develop the skills leaders need to solve problems, communicate effectively, assess programs, manage resources and evaluate emerging technologies. This knowledge is applicable to any work environment, regardless of assigned role, in organizations across all sectors: private, nonprofit, government and military.

This certificate program is part of the AA degree in organizational leadership.
