Homeland Security, Certificate

Uncover the ways terrorism, financial crime, gangs and organized crime threaten the United States and learn how law enforcement agencies, the military and other aspects of our national security system collaborate to provide defense against these threats.

Description

The 21 credit hour homeland security certificate program provides students with the skills and credentials they need in order to enter fields specializing in homeland security.

Students receive extended education in topics such as domestic and international terrorism, cyber-terrorism and advanced crime.

At a Glance

CRJ 464: Organized Crime (3)

A grade of "C" (2.00 on a 4.00 scale) or better is required for all coursework.

Bachelor of Science in criminology and criminal justice majors who are also pursuing the Homeland Security certificate may not use CRJ 412: International Terrorism, CRJ 417: Cyber Terrorism, CRJ 419: Domestic Terrorism, CRJ 422: Violence in America, CRJ 455: Police and International Terrorism, CRJ 456: Etiology of Martyrdom, CRJ 462: Gangs, CRJ 463: White Collar Crime, and CRJ 464: Organized Crime toward both their major and the certificate. These courses will only be used toward the certificate requirements.

Prerequisite courses may be needed in order to complete the requirements of this certificate.

Enrollment Requirements

There are no additional admission requirements other than those required for admission to ASU.

A student pursuing an undergraduate certificate must be enrolled as a degree-seeking student at ASU. Undergraduate certificates are not awarded prior to the award of an undergraduate degree. A student already holding an undergraduate degree may pursue an undergraduate certificate as a nondegree-seeking graduate student.

Attend Online

ASU Online

ASU offers this program in an online format with multiple enrollment sessions throughout the year. Applicants may view the program description and request more information here.

Career Opportunities

Graduates of the homeland security certificate program find a strong job market in the public and private sectors. Employment opportunities exist in supervisory and management positions in criminal justice
agencies (federal, state and local) including Department of Homeland Security, U.S. Customs and Border Protection, and local and state-level law enforcement departments. Advanced degrees or certifications may be required for academic or clinical positions.
